

Shop to Make a Difference!
 It's no secret that Tōtara Hospice's Charity Shops are the Aladdin's caves of eclectic items. Take the time to take our shopping roade to visit a number of them, or just pop into your local shop. You will be rewarded. Rifle through the rails of clothes and shelves of great stock, to find what's perfect for you. Better still, every purchase supports a wonderful cause; you will be Making Hospice Happen in your community. It's far more sustainable than another online spree, and heaps more fun. So what are you waiting for? We aim to provide an affordable shopping experience for our community. See you soon!
